KANCIPS-2024

34TH ANNUAL CONFERENCE OF IPS-KC

Dear Delegates,

Though North Karnataka is known for its Spiritual, Social, Intellectual reforms & prosperity by various spiritual gurus like Jagadguru Basavanna & Akka Mahadevi at Anubhav Mantap Basava Kalyan, Sri Nanak Jhira Sahib at Bidar, Mahadasohi Sri Sharanbasaveshwar & Hazarath Khaja Banda Nawaz at Kalaburagi, Sriman Narsimha Saraswati Swamy Maharaj at Deval Ganagapur, Sri Swamy Samarth at Akkalkot, Sri Gurusarvabhoun Raghavendra Swamy at Mantralayam, Raichur.

Still with all these, stigma related to Psychiatric illness was rampant due to various socio cultural beliefs.

As an initiative to bring awareness, reduce stigma and enhance services to the people of Kalyan Karnataka region mainly Bidar, Kalaburagi, Yadgiri & Raichur. **Kalyan Karnataka Psychiatric Guild (KKPG)** was formed in June 2016 under the guidance of senior Psychiatrists of this region with **Dr. V. A. Malipatil** as founder president.

This year we cherish opportunity to host KANCIPS-2024 after 2 decades.

The theme for this year KANCIPS is **Gender and mental health**, which is an important but unexplored topic. With increased awareness among individuals with respect to their gender, openness to accept their identity & recent changes in the legislation the number of individuals seeking mental health services are gradually increasing. This conference would be helpful for us to understand and help us shape the future of **Gender and Mental Health Research**.

As the technical & behavioral addiction problems are rampant among adolescent & youth, causing significant Psycho-social and academic problems. This area is in the era of on going research. For benefit of medical, Paramedical, other professional students, Psychiatric residents and consultants we have organised Preconference workshop with a theme of **behavioral addiction** on Friday the 23rd August 2024.

We team KKPG welcome you all from the bottom of our heart.
